2. A guarantee of actual mating (natural or artificial) and tie(s) (natural mating) only is made and not of pregnancy or of puppies living or dead.
3. Three or more live-born or dead-born puppies at time of whelping (either natural or induced) constitute a litter and satisfy the stud fee.
4. One or two pups born live or dead at time of whelping (either natural or induced) shall receive a prorated stud fee of \$ 0.00 per pup.
5. The owner(s) or agent(s) of the bitch shall pay a per diem (daily) charge of \$ N/A while the bitch is at Sonoran Desert Sport Dogs.

8. If a puppy is to be received instead of cash stud fee, I or an agent for Sonoran Desert Sport Dogs shall have first choice of litter at age of 8 weeks. In lieu of cash stud fee and only for this, one puppy constitutes a litter and if there is only one puppy, regardless of sex, this puppy shall constitute my (Sonoran Desert Sport Dogs) choice of litter. If no puppies survive to age of 8 weeks, (Sonoran Desert Sport Dogs) have the postponed right to receive full cash stud fee as covered above under Item 3 and 4.

9. All conditions stated herein apply to the bitch and are not affected by change of ownership of bitch.

10. It is specifically agreed herein that the owner (or their agent) of the stud shall not sign application for registration of this litter until and unless the stud fee (and other fees) has been paid in full.
